Nominations and applications

Some of you may have an agreement with several faculties: procedure and deadlines may differ slightly.

1. IDENTIFY THE HOST FACULTY

Please make sure that students are registered in the right faculty.

- List of faculties: disciplines, level of study and language required, administrative and Academic Contacts
- Course Catalogue

2. STUDENT'S NOMINATIONS BY THE SENDING UNIVERSITY

Students cannot nominate themselves. Only nominated students through the portal will be accepted. If you have already informed us about your nominations by email, we kindly ask you to renew your request on the online form.

If there is any change, please inform the host faculty.

<td>March 15th</td>
<td>April 30th</td>
</tr>
<tr>
<td>2nd semester</td>
<td>August 30th</td>
<td>September 30th</td>
</tr>
</tbody>
</table>

Warning: We do not accept nominations sent after the deadlines.

3. APPLICATION PROCESS

The host faculty will send the online application form directly to the nominated student. There is no need to send documents by email or mail.

The required documents are:

- Any language test or a certificate of language
- Student’s motivations
- Learning agreement. Consult the guidelines for its elaboration.

4. NOTIFICATION OF DECISION

The host faculty will send the notification of the decision until the following dates:

<table>
<thead>
<tr>

<th>Until</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st semester and full year</td>
<td>June 14</td>
</tr>
<tr>
<td>2nd semester</td>
<td>November 12</td>
</tr>
</tbody>
</table>

5. APPLICATION FOR HOUSING

The host faculty will send a decision notification or an admission letter to the students.

<table>
<thead>
<tr>
<th>Semester</th>
<th>From</th>
<th>To</th>

The International Students & Scholars Office (ISSO) helps students prepare for their stay, assists them upon arrival and throughout their mobility, in Grenoble and Valence: accommodation, immigration policies, practical matters, insurances, etc. On the website, you can download Welcome guides and information sheets. You will find here the main steps to take to settle: [+ information](#).

### HOUSING

This process does not concern Valence: the host faculty will contact students directly to inform how to find an accommodation. Students can choose between two main kinds of accommodation: university residences (public or private) and the private rental sector. For exchange students who apply for residencies in the public sector: they automatically receive credentials by email (check the SPAM folders), allowing them to access the online housing application platform. Students who meet the deadlines will receive an offer of accommodation from the International Students & Scholars Office (ISSO).

#### ACCOMMODATION APPLICATION PROCESS

<table>
<thead>
<tr>
<th></th>
<th>1st semester and full year</th>
<th>2nd semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Opening of access to the platform</td>
<td>From May 15&lt;sup&gt;th&lt;/sup&gt;</td>
<td>October 15&lt;sup&gt;th&lt;/sup&gt;</td>
</tr>
<tr>
<td>Deadlines of accommodation</td>
<td>June 20&lt;sup&gt;th&lt;/sup&gt;</td>
<td>November 15</td>
</tr>
<tr>
<td>application process</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Housing assignments</td>
<td>Mid July</td>
<td>A month before arrival</td>
</tr>
</tbody>
</table>

Requests for accommodation made after the deadlines have no priority and will be subject to availability of the remaining accommodation. The type of accommodation and the residence allocated will generally be notified one month in advance. A residence will be allocated a month before arrival. In France, most payments are made by credit card (rent, current expenses, health expenses, etc.). Some of them may be necessary even before your arrival (security deposit, first rent). If you do not have one, we advise that you order one from your bank, to pay in the euro zone and online payments at reduced fees.

### IMMIGRATION REQUIREMENTS

#### VISAS AND RESIDENCE PERMITS

Except nationals of a European Economic Area country (European Union country (EU), Iceland, Norway and Liechtenstein) or Switzerland, students coming to study for more than 3 months must apply for a visa. The application process and the list of documents requested are detailed on the official website for visa applications to France: [https://france-visas.gouv.fr/](https://france-visas.gouv.fr/)

To apply for a visa, consult the list of countries concerned by the procedure "Etudes en France".

### HEALTH INSURANCE

Subscription to health insurance is mandatory for stays of more than 3 months, unless there is a bilateral agreement between France and the student country of origin. Registration is free, but is no longer part of the university registration process. It is up to the students to follow the registration procedure upon arrival.

The UGA’s Health Center can respond to most student health care needs on campus. For more information [watch this video](#).
